UNIVERSITY NOTES.

President Tight received last week to be a lively contest for supremacy, a number of plants and flowers for the rooms and campus of the univer-This week's move of the U. N. M.

Weekly is an exclusively alumnt edition and is an evidence of the continued interest of past students. 1-e university will be represent e. in the physical culture exhibit at the St. Louis exposition with pictures of games and athletics teams. There

will also be a small exhibit in the Now Mexico building On Tuesday President Tight spoke to the students reminding them of the expense of public education and pointing out the possible return to the taxpayers. Thursday's assembly period was in charge of Miss Brown.

She explained the methods of library

darsification and arrangement. The students held a mass meeting on Friday in the interest of track athletics. Professors Angell and Espinosa and several of the students spoke enthusiastically of the prospects. In the afternoon Professor Angell had the full team in the gymnasium and gave them stiff practice ending with a run around the track.

The varsity base ball team was defeated last Saturday by a strong city team by a score of 22 te 14.
